LOST PARENTS Children who are separated from their parties will be taken to Lost Parents, located by the west corner of Adventure Cove's Lounge Deck.

CABANA RENTALS You will love the relaxation and privacy of our private cabanas which provide a private pool side retreat, a locker and other amenities. Secure your spot in a cabana ahead of time and rent online, or reserve the day of your visit at the Cabana Rental Stand on the Adventure Cove Lounge Deck. These cabanas provide you with a fantastic place to escape the crowds and rest when needed.

TUBE RENTALS Single and double tubes are so much fun! Reduce your wait times and rent your own personal tube for the day at Beach-comber Tube Rental, located near the changing and showering facilities. Take advantage of our free tube holding program so that you don't have to carry your tube all day. Free tubes are available at those rides that require them. You may use a provided tube once, then hand it to the next person in line. For your safety, no other personal recreational flotation devices are allowed in Six Flags Hurricane Harbor.
